

Following on from the parish survey which we conducted at the end of last year the CatNiP Team has compiled a presentation showing your responses. We were delighted that 66% of you submitted your views, thank you. Your responses will now be analysed in detail and will form the basis, and set the policies, of Catworth's Neighbourhood Plan.

For your information our presentation has now been posted on our webpage <https://catworthparishcouncil.gov.uk/neighbourhood-plan/> If you are unable to access this we do have a couple of printed copies, please contact the CatNiP Team if you would like to borrow one.

Those elements of the survey pertaining to a Community Action Plan will be passed to the Parish Council to enable them to prioritise future projects for the parish.

The CatNiP Team will spend the next few months drafting the Plan, we will continue to provide updates along the way of our progress and you will all have the opportunity to comment on the Draft.

Now that you've seen the topic areas which will be incorporated within the Plan, if there is something of special interest to you and you would like to help please come and speak to any one of the CatNiP Team or contact us on: catnip@catworthparishcouncil.gov.uk
