

Catworth Parish Council

As promised, at the end of May Cambs County Council installed several posts at various locations around the village. These will be for the new MVAS (Mobile Vehicle Activated Speed) sign for which we successfully secured funding from CCC last year under their annual Local Highways Initiative scheme. The sign itself should be received by the end of June. It will be monitored and swapped around regularly between the posts to provide data about the speeds of vehicles travelling throughout the village, to help inform us about whether any further speed reduction measures are needed.

Following last month's Shout Out for some summer flowers for our community tubs on Station Road, a kind anonymous soul (or souls?) has planted up our tubs with some beautiful blooms. Your generosity is much appreciated, you put a smile on everyone's face when they pass, thank you.

Our next parish council meeting will be on Thursday 11th July at 7:30pm in the Village Hall. As always all are welcome to attend. If you wish to comment on anything parish related or have any questions for councillors, we welcome your views and have an Open Section at the start of every meeting when you can do so. Agendas, previous minutes and contact details can be found on our website www.catworthparishcouncil.gov.uk
