

The CatNiP Team have been busy over the winter months writing, and re-writing according to the new government planning legislation, the Policies which will form the backbone of the Catworth Neighbourhood Plan. We have taken a lot of time and care interpreting the results of last year's parish survey to ensure that these policies reflect your desires for the future of our parish.

We would like to give everyone the opportunity to view and give feedback on the draft policies. You might also like to refresh yourselves with the principles behind Neighbourhood Plans and why Catworth is preparing one.

So on **Saturday 10th May** the CatNiP Team will be hosting an **Open Day** at the Village Hall from 2:30pm – 5pm. This will be a 'browse and mingle' event with posters and information available for you to peruse. Just drop in when it suits you at some point during the afternoon. The CatNiP Team will be on hand for you to talk to and we will do our best to answer any questions you may have.

And there will be tea and cake!

Additional volunteers to help with this project are always welcome, if you would like to help in any way, please feel free to speak to any of us on the CatNiP Team, or email us: catnip@catworthparishcouncil.gov.uk.

Information about the Catworth Neighbourhood Plan and our progress so far can be found on our webpage: <https://catworthparishcouncil.gov.uk/neighbourhood-plan/>
